

ISBONA NEWSLETTERS

Most issues contain even more articles, more recipes, Letters from the Editor and President, our Historian’s Corner, featured Southram AI rams, and more! As you would expect, things change over 25 years, so best advice today might vary from what was given – especially in the earliest articles. Anyone on the Board will help you find the latest and greatest information!

Issue	Partial Contents
<u>Spring 2024</u>	Editor’s Letter, Show Premiums, DNA Parentage Testing, VAI:More Lessons Learned, Fecal Egg Counts, Recipe, Calendar, Baa-ha-ha!
